

## Day of Jeepfest procedures

ALL Jeepfest participants MUST check in at the registration building (Hutchinson center) at Pearson Park when they arrive.

Check-in / Registration opens at approximately 9:30 AM for pre-registered participants and 10:00 AM for day-of registrants.

Be sure to bring your drivers license # and insurance information with you to check-in / registration as this is required to fill out the event waiver form.

You will receive your goody-bag and any T-shirts that are included in your registration packet at the check-in/registration building.

Additional event T-shirts (including ladies and childrens sizes) will be available at the merchandise booth at Jeepfest.

If you have pre-registered, we will have your name on a check-off list when you arrive. It is not necessary for you to bring any proof that you registered, but it does not hurt.

If you cannot make it to Jeepfest, you may arrange to have someone pick up your goody bag and T-shirts. We WILL NOT mail out these items to you, if you are a no-show, you do not get a refund. Please have whomever is picking up your items bring proof of your registration to show that this is acceptable to you. (email confirmation, paypal receipt)

If you are trailering, you must off-load your jeep and park your truck and trailer at the Hess Ice Rink parking lot, which is located next to Pearson Park. There will be signs for this parking.
